Example chart handling three dimensions (time, cardmembers, category)

This stacked area chart displays the monthly spending of three cardmembers from January to May. The y-axis represents the dollar amount from \$0 to \$2000. The x-axis lists the months. The legend identifies the cardmembers by color: Lucy Manycards 22135 (dark blue), James Brandson 66491 (medium blue), and Maria Manycards 22136 (light blue). The chart shows that Maria Manycards 22136 has the highest spending in January, while Lucy Manycards 22135 shows a significant increase in spending starting in March, peaking in April and May.

Month	Lucy Manycards 22135	James Brandson 66491	Maria Manycards 22136
Jan	~400	~600	~1200
Feb	~500	~800	~900
Mar	~900	~800	~1000
